## Property Description

Looking for the quiet of a rural setting? This attractive, cozy bungalow offers an in-ground pool with a large deck/patio area & gazebo (with screens) for outdoor living. With hardwood & laminates throughout the main floor, a bright, fresh kitchen, as well as three bedrooms, a primary w/walk-in closet & four-piece bath, & a second bath on the main floor, the property has plenty of space for family & friends. The finished basement, games room (with pool table), & a full bath provide lots of activity space for any family. A double-car garage with storage loft, & a boat-shed that can serve as a third garage can easily house vehicles & toys. The in-ground pool comes with a dark blue liner replaced in 2022, & a cover.
