# Property Description

An unparalleled blend of style, comfort & functionality, makes this home a perfect haven for families. MOVE IN READY! Extensive updates inside & out. The exterior is a testament to design, boasting stamped concrete walkways, a triple accommodating the dbl. att. heated garage & the single oversized det. insulated garage, as well as front & back patios complemented by Xeriscape landscaping for low-maintenance beauty. But the allure doesn't stop there; a versatile Flex Room presents endless possibilities, from a home business to a hobby space, w/convenient access from the side of the house or into the backyard, adding to the home's practicality. 4 Bedrooms, 2.5 Baths, Flex Room all set in an open concept!
